PL2303HXA-Phased-Out

PL2303HXA Phased out since 2012. Please contact your supplier (SOLVED)

Use these 8 easy steps to install the driver.

1. Opening the device manager shows the driver as "PL2303HXA PHASED OUT SINCE 2012. PLEASE CONTACT YOUR SUPPLIER."

2. To solve this, you can download the driver here [Driver](#).
3. Unzip the archive and Install the driver. Go to the next step.
4. Open device manager. Right click on the unrecognized device and select "Update Driver".
5. Click on "Browse my computer for drivers"

Update Drivers - PL2303HXA PHASED OUT SINCE 2012. PLEASE CONTACT YOUR SUPPLIER.

×

How do you want to search for drivers?

📖 README

✎

→ Search automatically for drivers

Windows will search your computer for the best available driver and install it on your device.

→ Browse my computer for drivers

Locate and install a driver manually.

Cancel

6. Select "Let me pick from a list of available drivers on my computer"
